Memo # 1-54 dated 1/11/54. up to 1/12

1. The only action of note was in the Savannakhet-Seno area. A FU recon unit (probt Bns) encountered on 12/31 main body of VM (3-4 Bns) 35 kms northeast of Seno. French elements reinforced, an engagement continued until 1/10 when VM disengaged. Both sides suffered "considerable" losses -- VM: 200 bodies counted, 3 HMG, 15 LMG, 40 sub MG and 200 rifles left by VM; French casualties/material losses unlisted. Quality of VM resistance considered impressive by French. VM now believed to be regrouping and to be reinforced by 300 troops. ARMA Saigon believes French have capability of clearing out area, opening N-S supply route anytime they choose.
